

Health and The Environment: The Human Connection

The PA Resources Council presents Health and the Environment, a program is designed to heighten awareness and encourage action around the issue of toxins in our environment, the consequences of these toxins on human health, and how to avoid exposure.

The program provides the public practical solutions such as safe alternatives and healthy lifestyle choices.

Participants will learn about:

How to make your own cleaning products and personal care products

Toxins to avoid in personal care products

**COST OF WORKSHOP IS \$20 PER PERSON.
ALL PARTICIPANTS WILL RECEIVE A FREE GREEN CLEANING STARTER KIT!**
