Household Hazardous Waste Disposal Day

Your spring cleaning isn't complete until you've safely rid your home of hazardous waste such as paint, household cleaners, pesticides and other chemicals. Dispose of them properly during a community-wide collection from 9 a.m. to 1 p.m., Saturday, April 26, at Settler's Cabin Park.

The cost is \$2 per gallon, and only cash will be accepted.

Acceptable items include: aerosol cans, automotive fluids, batteries, chemistry sets, compact fluorescent bulbs, gasoline and kerosene, household cleaners (such as ammonia, drain opener and oven cleaners), mercury, paint products, pesticides, herbicides, photo chemicals and pool chemicals.

The collectors will NOT accept: ammunition, appliances, bulk waste, commercial and industrial waste, compressed gas cylinders, drugs, explosives, flares, fluorescent tubes, leaking containers, medical waste including needles, PCBs and dioxin, radioactive materials including smoke detectors and tires.

The collection is sponsored by the Southwestern PA Household Hazardous Waste Task Force, UPMC and the Allegheny County Health Department.

For more information, call 412-488-7452 or log onto www.swpahhw.org.
